PLASTIC FABRICATIONS

STORAGE

BUILT RIGHT, BUILT FOR LIFE

Elite Plastic Fabrications has a wide range of products available to suit the needs of your business. Many of the common products used in the industry include Poly Ethylene (Low, Medium and High Density, High Wear and Ultra High Wear); Poly Propylene; Acrylic and Polycarbonate; ABS; PVC; PTFE and PETP. Our principle goal is providing products which enhance the working life of, and reduce maintenance of, equipment; machinery, and associated infrastructure. Our products **will not** fade, rust or degrade.
